PUTTING THE "FUN" IN FUNDRAISING

Heidi Tirja and Gabrielle Thorne meet with Lilly Pulitzer to foster the JLP's relationship.

by Regina Raiford Babcock

Fundraising is a cornerstone of the Junior League. Throughout the League, we have many types of fundraising opportunities that range from the Main Line Closet, large-scale events and shopping socials, to external grants and our endowment. Each of these fundraisers is crucial to the JLP's viability and enables us to offer quality community projects focusing on literacy within the Greater Philadelphia region.

The newly restructured Fundraising Council will concentrate more on marketing, including advertising in local media, such as *Mainline Life*, for the greater community and using the website to keep the membership informed and involved. "We need to build a greater awareness in the community of what we do and why we do this fundraising," said Kate Forester, head of the Fundraising Council.

Winter Spree and toile tote bags--the fundraising council wants the members to know they have this and so much more to offer. "A lot of people put fundraising in this little corner, but it is so integral to the league."

This fall, the 28-member group is launching their new initiative. "[The board] wants the group to focus all year long and to keep the membership in tune from September to May," said Forester.

The perennial favorite **Winter Spree** (formerly the Spring Bling) is slated for **November 30th** at the Willows. New fundraising opportunities are also on the drawing board. The **Neiman Marcus Art of Fashion** event--complete with champagne brunch and fashion show--will be held October 21st. Forester is also forging a new partnership between the **Thrift Shop** and **Sam Freeman Auction House** for a Spring social.

Get ready to place your bets! On **February 23rd**, there will be a **Casino Night** at Philadelphia's opulent Crystal Tea Room. Forester noted that "This is a great opportunity to raise funds for the League and to get other prospective members involved."

The ever-popular **Lilly Pulitzer Shopping Event** will occur during the last week of April 2007, which will allow all of our members to stock up on their festive summer wear while benefiting the JLP.

The Corporate Donation Committee is strongly promoting its **eScrip** program, an effortless way to support the League. Most people assume the plan only involves the **Genuardi's** supermarket chain, but the eScrip program (www.escrip.com) is a much broader fundraising resource. Participating business partners, such as hotels, restaurants, and stores, contribute a percentage of your grocery loyalty cards, credit card, and debit/ATM card purchases to the JLP. Members are also urged to support the League via purchases from Grower Flowers, Barnes & Noble or Amazon.com through the JLP site.

Back by popular demand, the signature **Sibling Satchel and Tote** is now available in black with a red ribbon. Beyond custom bags, the Corporate Donation Committee is considering new Junior League merchandise

PRESIDENT'S PERSPECTIVE

by Kara
Goodchild

Part of the focus for this year is to re-connect with the mission of the Junior League, looking at

how we have fulfilled it in the past, how we fulfill it today, and determining how we will continue to fulfill it in the future. Though we don't think about it often the JLP mission of promoting volunteerism, developing the potential of women, and improving the community, permeates everything we do as a League.

Be it through volunteering time or donating items, we are all familiar with the Thrift Shop—now officially called the **Junior League of Philadelphia's Main Line Closet**. We are one of the most profitable Junior League thrift shops in the country, second behind New Orleans (pre-Katrina). Last year the shop had its greatest financial success ever, reaching over a half million dollars in annual sales. The shop, and its high quality merchandise, has been recognized local and national publications, ranging from *Main Line Today*

to *Philadelphia Magazine* to *Lucky Magazine*. While we recognize its value as a fundraiser, we probably don't think of it as a key component in fulfilling our mission. The Thrift Shop provides much of the funding for our community projects, training opportunities, and the office, thereby giving us the means to improve our community.

The Shop also fulfills another aspect of our mission. It promotes volunteerism, not just through the shifts required of our members, but as a community service resource for schools, sororities, and governmental agencies. In July 2006, non-League volunteers contributed 180 hours of service in the Shop. The Shop provides a meaningful experience for these volunteers. Last spring one student wrote his final paper about the time he spent volunteering in the Shop and how it changed his outlook. He credited Patty Franks, the Shop manager, with teaching him the importance of volunteering and giving back to the community.

We have also used the shop to develop the potential of women. As part of the WWOW projects, the shop provided women coming off welfare and

returning to the workplace the clothes they needed to successfully transition to an office environment.

For much of the JLP's history, a thrift shop has been an important means of fulfilling the mission. The JLP opened its first thrift shop, the "Outgrown Shop," in the 1940s. The Outgrown Shop ran successfully until the early 1970's when it was closed, replaced by a joint venture with Goodwill Industries. The JLP worked with Goodwill until the relationship was terminated in the late 1970's as a result of a strike by Goodwill workers. The JLP returned to the thrift business almost immediately, opening the Junior League Thrift Shop in Bryn Mawr in September 1979. Ten years later the Thrift shop was so successful that it moved and tripled its size. We outgrew that space as well, and in 2004 the move to Ardmore doubled the floor space of the Shop. The hope for the future is that the Shop will continue to grow, both as a revenue source and as a means of fulfilling the mission.

items. The Committee worked to ensure that the **Shop for a Cause Macy's Event** was successful and plans on repeating the event next year. The goal of the committee is to collaborate on fundraising projects with other organizations. In the coming year, the Hotline and the website will both be important tools for this council to generate ideas from the members.

COMMUNITY Done In A Day

The Done-in-a-Day Committee will once again be offering a variety of community service opportunities that members can complete in one day. As in previous years, JLP members will receive Mission Credit for their participation.

This year, the committee is expanding its mission to include the promotion of volunteerism throughout the Philadelphia region. The committee encourages JLP members to invite non-members to assist with Done-in-a-Day projects occurring between January and May (please note that the November and December events will be limited to JLP members).

Actives and Provisionals who are interested in signing up for a Done-in-a-Day project should reserve a space via the

online RSVP system located on the JLP web site. Space for all projects is available on a first come, first served basis.

COOKIE EXCHANGE – JLP members will be assisting the students of the Cultural Clinic project in creating unique and tasty cookies. The event will take place at The Restaurant School in West Philadelphia in November. We will be baking twelve different types of cookies. Please contact Teresa Montano at trsmontano@yahoo.com or (215) 731-0110 for details.

THANKSGIVING BASKETS – The JLP will once again be providing baskets to the women and children of HELP Philadelphia. Eight volunteers are needed on November 18, 2006 from 10am-1pm to assemble the baskets at HELP, located at 215 South 16th Street Philadelphia, PA 19103. We will assemble the baskets and deliver to the families on site. Please call Kim Berselli at (610) 269-7286 or creags91@aol.com to sign up.

Visit the website,

upcoming events.

COMMUNITY Reading Rocks

The first Reading Rocks festival for the Junior League will take place on **Saturday, October 28th** at the Christian Street YMCA in downtown Philadelphia. The annual festival, which promotes literacy, is geared towards elementary and middle school aged children. During the event, there will be interactive games and activities with a reading focus in which the children can participate. These activities will earn them "credits" that can then be exchanged for new books and pencil packs containing an assortment of school supplies.

The Reading Rocks Committee has scheduled two additional festivals on **Saturday, December 9th** and **Saturday, April 14th**, both at the Roxborough YMCA. The committee has built a strong relationship with these two YMCAs and hopes to attract over 300 children at these events. We are all looking forward to the kick-off event for the year on the 28th!

For more information, please contact **Kristen Corcoran** at kristen_corcoran@yahoo.com or **Jennifer Shacklett** at jmstirk@hotmail.com.

Achieve College Today

Claire Stille has replaced Clarisa Cue as ACT co-chair. Clarisa has stepped-down as ACT co-chair to accept a position as her school's swim team coach. We wish Clarisa and her team the best of luck and look forward to a successful year for the ACT committee with the leadership of Claire and **Terri Young**. Stay tuned for updates on this committee!
