GVC Spring Workday at Greenland Nursery Saturday, May 21, 9 a.m. to 12 p.m.

League members, friends, family (ages 12 and older), help us partner with the Philadelphia Zoo to promote and support a sustainable environment through the Footprints Carbon Offset Project. Reduce our carbon dioxide footprint that, in turn, reduces global warming as well as provides a valuable habitat for wildlife. One of the missions of Greenland Nursery is to propagate native trees, shrubs, and plants that are nurtured until planted in Fairmount Park.
