Thrift Shop Update

Halloween has arrived at the JLP Thrift Shop! The furniture room has been converted to a Halloween wonderland with costumes, accessories, decorations, and more. Please continue to donate Halloween items so that we have plenty to offer to our customers! Also, the Shop is now collecting recyclable items. Cell phones and digital cameras will be recycled through TerraCycle. Non-quota-worthy clothing (with stains or holes) is also being collected for recycling. Look for the bins downstairs in the quota area the next time you visit the Shop!

It's also back to school time! College students are coming to the Shop to furnish their dorm rooms and apartments. Please take the time to donate small furniture to meet this demand. The Shop is currently hanging fall clothing. Please plan your quota donations accordingly.
