President’s Perspective

By Erin Bushnell, JLP President

I’m so excited to welcome you to the 2015-2016 League Year! Although lots of events, committee work, and changes occur over the summer, September has always been the time when we get back into full swing with League activities. Over the summer, we began to “break in” our newly renovated Headquarters. If you haven’t had the chance to attend a meeting there, you are in for a treat when you do! It’s been wonderful arriving for a committee meeting and finding two or three other committees meeting at the same time; I love having the opportunity to catch up with members on different committees. I’ve seen more League members this than during any in the past, simply from running into them at JLP Headquarters! This is why we are so lucky to have a new home. It allows us to unify as a League and connect with one another in ways that just weren’t possible in the past.

I’m pleased to welcome the women who have joined the Junior League of Philadelphia’s 2015-2016 Provisional Class. I know that as you get to know the League and one another, you will discover what a special organization you have joined. You will have the opportunity to develop both your leadership skills and volunteer skills by serving the Philadelphia community.

Our Apple a Day Healthy Living Initiative™ is making an impact in the greater Philadelphia community. Last year, we prepared over 2,800 boxes of food for distribution to needy families in Philadelphia, interacted with over 1,050 Philadelphia residents to inspire more people to eat healthier foods, helped over 170 people get information about important health issues and get free screenings, and taught over 200 kids about the benefits of healthy eating. The Sustainers’ Blossom Fund Committee reviewed grant applications from a number of organizations, and in July, the Board of Directors approved a $48,000 Blossom Fund grant to the Philadelphia Orchard Project, one of our community partners.

In 2015-2016 we will continue to address the critical issues of hunger and healthy living in Philadelphia. In preparation for Pope Francis’ visit to Philadelphia, Immediate Past President Emily Schwarz, Active Heike Doerr, and Sustainer Tracy Specter participated in the World Meeting of Families’ Hunger and Homelessness Committee. On September 10, this committee hosted the Community Table, a call to action and conversation on how Philadelphia can become a hunger-free region. The event included a photo exhibit from Witnesses to Hunger. The representation from the Junior League of Philadelphia on this committee demonstrates that we are recognized as an organization leading the fight against food insecurity in our community.

(continued on page 2)
President’s Perspective (continued)

Last year’s Centennial Project Committee, formed to research and propose our Centennial Project, identified a significant issue facing low-income children in our region. During the school year, a large part of these children’s nutritional needs are met through free and reduced price school breakfasts and lunches. When they are not in school during weekends, school holidays, snow days, and during the summer, these children often go hungry. This year’s Centennial Project Committee, chaired by Past President Halley Neboschick Hetrick, is continuing the work initiated last year by investigating ways for the Junior League to tackle this critical issue facing Philadelphia’s neediest children.

I look forward to seeing how we #juniorleagueit this year and hope to bump into you soon at Headquarters!

Our New Headquarters

By Jill Bronner

If you haven’t made it out to see the new JLP Headquarters, you are missing out. Thanks to the amazing efforts of many of the women in our League, we have a beautiful, newly renovated facility to call our home. It is open for you to use for both official JLP business and for those times when you need a place to relax and unwind while you are in Ardmore.

If you want to schedule a meeting, please use the Headquarters Reservation form that can be found on the member side of the JLP website. If you want to relax and enjoy the beautiful members lounge, please let yourself in the building using your unique code and enjoy. We just ask that you keep the lounge neat and clean and try to keep the furniture from pressing against the glasscloth. If you need to access the internet while you are in the building, the Wi-Fi password is jlp-philly.

For most JLP members, your access code is the last four digits of your AJLI Member ID, which can be found on your member profile on the member side of the JLP Website under My Membership - My Profile. If the last four digits of your AJLI member ID start with a zero (0), your access code omits the leading zero (0) and is the last three digits of your AJLI Member ID. In addition, a few JLP members will be notified individually that you have been assigned an access code that is different from your AJLI member ID because the final four digits of your ID is are same as another member’s.

Thank you for your continued patience while we get used to using the new space. Also, please remember that if the Thrift Shop is not open, you may not enter the store area, as it is alarmed.

Please email housechair@jphiladelphia.org with your questions, comments, and ideas about the JLP facilities!

We hope you will enjoy our new home!

What is the Placement Committee?

The Placement Committee is focusing on making sure members think their placements are good fits for their lifestyle and interests. Placement is a way to learn what the JLP does and gives insight into the hard work our committees put in and considering where one fits or wants to fit in the League. We are currently exploring ways to make placement more accessible and user-friendly as well as brainstorming about improvements to the Placement Fair. If you have questions, comments, or suggestions, please email placement@jphiladelphia.org.

CORRECTION

The Summer Hotline erroneously identified the Sustainer of the Year for 2015. The Sustainer of the Year was Susan Henley. Susan is a 15-year veteran of the League whose contributions to the Finance and Headquarters Furnishings Committees were invaluable. She provided valuable expertise and advice, and went above and beyond to contribute to the success of both committees. The Hotline regrets its error and apologizes to Susan.
Done in a Day Committee Kicks Off with Cradles to Crayons Volunteer Night

The Done in a Day (DIAD) Committee held its first volunteer event on Tuesday, August 11, at Cradles to Crayons in Conshohocken. Cradles to Crayons is a non-profit benefitting children from birth to age 12. Items such as children’s clothing, books, and school supplies are requested by caregivers, then packaged at the warehouse according to each individual child’s needs, and finally distributed, often within a week of the initial request.

Since the services Cradles to Crayons provide are completely free, donations and volunteers are both in great demand. JLP members who arrived early to the event helped make cards to welcome students to a new school year. Soon after, they were separated into small groups to perform “triage.” Members sorted dozens of bags of donated clothes into manageable categories for future use. They also had the opportunity to learn more about poverty in our area, including the fact that Philadelphia has the highest percentage of people living in deep poverty — defined as a family of four subsisting on $11,000 a year or less — of any large city in the U.S. JLP members were excited to help an organization with such a great mission.

The DIAD Committee will continue to have volunteer events for equally worthy causes throughout the year. Remember to check the JLP calendar for more DIAD events and to sign up as they are scheduled!

The Larks’ New Fall Season Begins with a New Director

by Jill Franks, Larks’ President

The fall began on a very sweet note for the Larks with the appointment of Janet Miller as their new director! Janet met with the Larks at the end of August and mutual agreement was easily reached. A retired career educator, Janet is an experienced classroom music teacher of children K-12 and choral director. In addition to her new position with the Larks, Janet also conducts a choir that is part of the Osher Lifelong Learning Institute of the University of Delaware. Janet brings not only a wealth of experience, but also a wonderful creative energy and talent for introducing new music to the Larks’ repertoire.

The Larks’ touring schedule for September through December is quite busy and varied. The first performance was on September 30 when the Larks sang for the residents of the Sisters of the Holy Child in Bryn Mawr. Following the performance and singalongs with the Sisters, the Larks had fun posing for a photo with a life-size figure of Pope Francis.

Venues in October included Bryn Mawr Terrace and, at Halloween, the Hearth at Drexel, where the Larks performed wearing costumes. On Veterans Day at Fairview Care Center, the music focused on patriotic songs. Sunrise of Paoli was the second event in November. Each Wednesday in December the Larks will sing at two locations, the Wayne Senior Center and the Wayne Center, a Genesis HealthCare facility. On December 2, the Larks will sing at the Golden Livingcenter Rosemont and on December 9 they will sing at Rosemont Presbyterian Village. On December 16, the Larks will distribute Christmas arrangements, created in collaboration with Garden Club members, to Hayes Manor and Inglis House, both in Philadelphia.

After their touring in Philadelphia, the Larks will gather at the Merion Cricket Club for their annual Christmas luncheon.

New members are welcome. If you enjoy singing, rehearsing, providing service to the community, and belonging to a group where camaraderie is key, please contact Jill Franks at jg29franks@yahoo.com.

The Junior Leagues’ Kids in the Kitchen (KITK) Kicks Off!

The Kids in the Kitchen Committee is kicking off what is sure to be an exciting year! This year, the Committee is aiming to achieve the following goals: First, to deliver at least two eight-week programs at local schools; second, develop best practices and standard procedures for the committee in its second active year; and third, to explore new venues and formats for delivering KITK programming and increasing community reach.

In the early fall KITK will begin an eight-week program at Universal Institute Charter School, so stay tuned for exact dates and more information about how you can support our efforts. KITK welcomes feedback from fellow League members who may have a potential community partner or venue in mind. Contact Committee Chair Sara Grossman at sarajg39@gmail.com with questions or for more details.

Looking Toward the Fourth Annual Empowering You Health Fair

The Empowering You Health Fair Committee is excited to announce that this year’s fair is officially scheduled for April 16, 2016. This will be the fourth year for the Health Fair, a free event that is held at Lankenau Medical Center. As always, the Fair will be open to the public and will offer screenings, speakers, and classes to help promote healthy living. If you have any questions, please contact Chairs Paula Stroffol or Jill Moniz at healthfair@jlphiladelphia.org.
Farm Explorer™ Mobile Garden Committee Invites League Members to Join Exciting Year of Events

By Liz Swiker, Chair, Apple a Day Healthy Living Initiative™ – Farm Explorer™ Mobile Garden Committee

Together with Greener Partners, the Apple a Day Healthy Living Initiative™ Farm Explorer™ Mobile Garden Committee is bringing the farm experience to youth in the Philadelphia area through an exciting year of hands-on gardening activities at Smith Memorial Playground & Playhouse, The Food Trust Night Market, Longview Farm, and other locations (see sidebar for details).

Research shows that young people engaged in gardening are more willing to try and consume healthy foods. It is in that spirit that the 24-foot custom Farm Explorer™ was built. The Farm Explorer™ is a living, hands-on mobile farm that lets youth and families dig in and connect with food from seed to plate. It is equipped with a mobile kitchen and garden beds housing a variety of seasonal fruits, herbs, vegetables, and edible flowers. The fall harvest includes tomatoes, peppers, cherries, beans, edamame, radishes, collards, and several herbs like mint, rosemary, and lemon balm. At each event, the committee engages young people and their parents in tasting foods right off the truck, while also educating them about how plants grow, pollination, and container gardening.

For the first time this year, all League members will have a chance to experience the Farm Explorer™ Mobile Garden first-hand through a Done in a Day at Greener Partners' "Greatest Farmer Showdown and Harvest Festival" on Sunday, October 25. Please visit the JLP Members site to sign up.

The Farm Explorer™ Mobile Garden Committee is also excited for its Halloween event at Smith, where children will decorate mini-pumpkins while committee members teach them about autumn crops and how food can still grow, even in colder weather. This was a very popular event last year, and we are hoping to continue the tradition.

If you have any questions, please be in touch with Liz Swiker, Co-Chair (202-520-6446; elizabeth.swiker@gmail.com) or Clare Durepos, Co-Chair (832-544-7930; clare.durepos@gmail.com).

Save the Date: American Girl Fashion Show® on March 12 and 13, 2016

By Kathryn Young Galla, American Girl Fashion Show® Committee Co-Chair

We are delighted to announce the dates for this year’s American Girl Fashion Show®: March 12 and 13, 2016 at the fabulous Desmond Hotel and Conference Center in Malvern, PA. This is the fifth year the Junior League of Philadelphia’s has hosted the show, which raises money to support the JLP’s community programs that benefit children ages 12 and younger. The American Girl Fashion Show® is a fun-filled event where local girls will model American Girl fashions with their favorite dolls on a full runway complete with music and live commentary in front of their family and friends.

Model applications, tickets, and sponsorship packets will be available soon. Admission includes a delicious lunch, a raffle, and door prizes. Girls attending the event will have the opportunity to purchase accessory items and souvenirs or have their dolls’ hair styled at our American Girl Doll Hair Salon. The event is always a memorable and fun time for models, attendees, parents, and volunteers.

If you have any questions, please feel free to contact Committee Co-Chairs Kathryn Young Galla and Katarina Wilson at agfs@jlpphiladelphia.org. We look forward to seeing you at the show!

Sustainer Chair’s Perspective

I am sure you are all shaking the sand out of your shoes and beginning to fill in your fall calendar. I have had a fun summer relaxing by the shores of Torch Lake with family and friends. I tried to email some cool breezes east, as I continually heard how hot the summer was in Philadelphia.

In July, the Junior League of Philadelphia’s Board of Directors approved the Sustainer Blossom Fund grant to the Philadelphia Orchard Project. I stand in awe of the work that so many of you did to raise over $135,000 to improve horticultural projects within the Philadelphia community. In her “Blossom Fund Closes Out with a POP” article in this Hotline, Susan Mease, the current Chair of the Blossom Fund, outlines some of the history of Bed, Breakfast, Blossoms & Barnes Committee (BBB&B) and our ability to support interesting educational and civic projects. Please read her article, as we can all be proud of what the Sustainers have accomplished.

What a special way to start my term as Sustainer Chair!

One of the Sustainer Leadership Council Executive Committee’s goals is to improve communication with our large and diverse Sustainer group. Anne Barr has been working with the Actives to make Sustainer access to the JLP website more user-friendly. Deb Riess is coordinating the Sustainer portion of the Hotline. We encourage you to share your personal and League-related news and photos. Please email them to Deb at deb.b.riess@gmail.com. We have sent out the Fall Mailing by eBlast and postal mail. I included a list of the many Sustainer Interest groups with contact information to make it easy for you to get involved. Please let us know if you have suggestions on how we can better improve our communication with you.

There are many exciting activities planned for the fall:

- Mary Tattersfield and Jean Alsientz have coordinated an exciting trip to Santa Fe for the last week of September. I can’t wait to see all of their pictures and hear about their adventures.

- The first Sustainer Leadership Council Meeting for the 2015-2016 League Year was held at our newly renovated Headquarters on October 7. Anne Hopkins and her able committee hosted that evening.

- The Fall Membership Meeting will be held at the Radnor Hotel on October 28 at 6 p.m. Mary Burr and Adie Amey Stretch have arranged for us to see the lively Philadelphia Museum of Art’s Contemporary Craft Road Show and enjoy a delicious dinner.

- The New York Theater Trip will be on November 4 and is chaired by Susan Van Allen and Melanie LeBoeuf. They have organized a wonderful day to see “Kinky Boots,” the Tony Award-winning Best Musical. Lunch will be at Café Un Deux Trois. This event has been an annual must for many Sustainers.

- Our Fall Social will be held on Sunday, November 8 at the Wayne Arts Center from 4 to 6 p.m. Sharon McNamara and Cornelia Vieira have planned a fabulous evening of art, food, and drinks. This is a great opportunity to meet new Sustainers and reconnect with your JLP friends. Guests and significant others are welcome to attend.

I look forward to seeing you at many of the exciting upcoming events and activities.

Warmly,

Deedie O'Donnell, Sustainer Chair

Blossom Fund Closes Out with a POP

By Susan Mease, Blossom Fund Chair

The Sustainers’ Blossom Fund Committee is thrilled to announce its largest and final grant of $48,000 to the Philadelphia Orchard Project (POP) for a legacy project to develop their future headquarters as a hub for education and the production of useful and edible plants. It will include a propagation greenhouse, a high-tunnel nursery, and a demonstration orchard which will be used for education and production. POP is a nonprofit organization whose purpose is to plant and support community orchards in the city of Philadelphia. It is one of the JLP’s primary partners for its Apple a Day Healthy Living Initiative™ and two JLP members currently sit on its Board, Sustainer Bertina Whytehead and Active Deanna Jenkins.

The Blossom Fund was created by the Bed, Breakfast, Blossoms & Barnes Committee, whereby profits from this endeavor would be set aside to assist the greater Philadelphia community. BB&B (the Barnes part was added a few years later) was established in 1999 by Sandy Williams, Suzanne Vander Veer, and Judy Michaelis (deceased) to invite Junior League members from around the country to attend the Philadelphia Flower Show and stay with members of the JLP. It was not originally intended to be a fundraiser, but in the first year, the JLP made a little over $2,000.

The program grew substantially after that first year and there were 10 iterations over the past 15 years. From money earned over the years, the Blossom Fund was able to provide grants of $87,440 to community projects like horticultural work at the Jubilee School, restoration of the gazebo at Lemon Hill, renovation of the Water Works South Garden, the purchase of electronic whiteboards for Paul V. Fly Elementary School, providing materials and resources to E.M. Stanton Elementary School to transform a vacant lot into a multicultural garden that promotes good nutrition, creating the living willow structure at Smith Memorial Playground & Playhouse, and covering the costs of a rising third grader in the Chester Children’s Chorus, among others. The new grant to POP will bring our community donations to over $135,000.

The work of hundreds of Sustainers over the years through BB&B made these grants possible. The 2014-2015 League year marks the end of BB&B in its original form. If the program returns, it will not be as a fundraiser. Therefore, the Blossom Fund is making this last, account-clearing grant to POP and closing up shop. On behalf of all of the BB&B volunteers since 1999, we are thrilled to be able to give POP significant grant revenue for a legacy project that also provides an important opportunity to promote the JLP’s accomplishments that we are so proud of.

The 2014-2015 League Year Blossom Fund Committee members: Susan Mease (Chair), Nancy Greytok, Betsy Mallon, Susan Arnold, Deedie O’Donnell, Carol Konski, Margie Patches (ex officio), and Cornelia Vieira (ex officio).

New Sustainers Kick Off the Fall Season

By Jen Morgan and Barb Hafner, New Sustainer Leaders

The New Sustainers, an interest group dedicated to the needs of Sustainers who are 55 years of age and younger, are kicking into high gear for the new League year with a series of upcoming social events. Already planned are a Fall Welcome Back Social, a luncheon, and a holiday cookie exchange. New this year are League-wide socials hosted by the committee.

Join the New Sustainers on Friday, November 20 for a lunchtime social from 11:30 a.m. to 1 p.m. at the popular Estia Taverna in Radnor, conveniently located near the Blue Route Villanova/St. David’s exit. Experience authentic Greek Mediterranean cuisine and healthy seafood specialties with your New Sustainer friends. Estia offers a prix fixe express lunch option for business diners, or you can order à la carte. R.S.V.P. early, as seating is very limited. Priority will be given to New Sustainers, but if any open seats remain, other League members may attend. Guests will pay by separate checks at the restaurant. Please note that this reservation is for the Radnor location. If you are interested in attending a Center City Sustainer luncheon in Spring 2016, please contact Jen Morgan at jgmorgan76@gmail.com to express your preference.

Mix and mingle during our All Member Holiday Cookie Exchange on Wednesday, December 2 from 7 to 9 p.m. Dust off those cookie sheets and sprinkle some holiday cheer as the New Sustainers and the JLP Provisional Class co-host a League-wide cookie exchange and social in the Community Room at JLP Headquarters. Attendees are requested to bring two dozen (24) cookies and an accompanying printed recipe to exchange. If your cookies contain a common allergen, such as tree nuts or peanuts, please make certain that your recipe clearly notes the ingredient. R.S.V.P. on the JLP website. If you are able to bring a bottle of wine or other beverage, please contact Jen Morgan at jgmorgan76@gmail.com.

Have a great idea for a social? Please contact Jen Morgan at jgmorgan76@gmail.com or Barb Hafner at BarbHaf@gmail.com to share your thoughts.
